Fragaria 'Eversweet Everbearer'

- **Use:** Eversweet strawberry plants are very popular with commercial growers because of their high yield, brilliant fruit color, and excellent flavor. Fruit size is medium to large and medium in firmness. Plants are a vigorous, early, midseason variety and must be well supplied with water and nutrients.
- **Exposure/Soil:** Prefers full sun, but will take a little shade. Try to keep water off the leaves when watering. Water regularly, when top 3 in. of soil is dry. Fertilize with a bloom food.
- **Growth:** Continues to trail all season long!
- **Hardiness:** 5-9; Perennial
- **Foliage:** Deciduous
- **Flower:** Fragrant blossoms produce sweet red berries!
