

Triple Curled Parsley

Stays green year round.
High in vitamins and minerals

Petroselinum crispum

- **Use:** Cook with your own fresh herbs! Closely curled dark-green leaves. Nutritious fast-growing uniform strain. Parsley is high in vitamins and minerals. Holds very well at harvesting stage. Use the finely cut, curly leaves as a flavoring or garnish. They are great in window boxes and pots either inside or outside.
- **Exposure/Soil:** They love full sun, but be sure to keep them well watered, but not drowning. Pinch tips back occasionally to produce a bushy plant! Use slow release fertilizer for best results
- **Growth:** Grows 12" tall and continues to spread.
- **Hardiness:** Zone 3-10; Biennial, but reseeds.
- **Foliage:** Fragrant edible leaves are curly.
- **Flower:** Not known for flowers

Did you know that we recycle empty pots and trays? Please bring them back! Save the Earth!
