

Pink Panther Turtle Vine Basket

Plant this pink Wandering Jew in containers, patio pots, window boxes outdoors, where you can treat Pink Panther plants just as you would their larger Purple Wandering Jew cousins - as an annual or bring it in once the weather turns chilly and use it as a brilliantly colored house plant!

Callisia repens 'Pink Panther'

- **Use:** Famous for its dense pink foliage. It can be sensitive to overwatering but otherwise is a fairly low maintenance plant that grows quickly and propagates easily.
- **Exposure/Soil:** This unique and very hardy plant can be grown at any light level, but shelter from hot afternoon sun. Requires moderate water.
- **Growth:** Grows rapidly if given enough water and fertilizer.
- **Hardiness:** Zones 10-11 Annual; Houseplant.
- **Foliage:** Pinkish, sometimes green-gray stems sprout bright pink and light pink streaks. Splashed over soft green leaves with white variegation.
- **Flower:** Small purple flowers in the summer, but not as showy as the leaves of this plant.
