

Croton

Very easy to grow houseplant or annual to put in your shade planters.

Codiaeum Variegatum 'Petra'

- **Use:** Use as a houseplant or unusual annual in your outdoor container plantings. These are one of the most eye-catching plants, with leaf colors of yellow, pink, red, and orange. They will wilt if the soil completely dries out. Crisp crunchy leaf ends indicate soil is staying too moist.
- **Exposure/Soil:** Indoors, prefers higher light conditions. Plant in the Pro-Mix. Make sure you don't have chlorine in your water. Prefers high humidity and high temperatures as well. Indoors, mist several times a week to provide added humidity.
- **Growth:** Can grow 3' tall and 3' wide.
- **Hardiness:** Zone 10 Houseplant, Annual
- **Foliage:** Crotons are available in many different leaf colors and leaf shapes.
- **Flower:** Not known for flowers.
