

Variegated Swedish Ivy Basket

Loves the sun or part shade and super easy! Can also be used as an easy houseplant for a sunny window.

Plectranthus coleoides 'Variegata'

- **Use:** A fantastic trailing plant that has variegated leaves. It has a semi-trailing habit and fragrant leaves. Looks great in mixed containers, window boxes, or hanging baskets. The foliage is exceptional all season long.
- **Exposure/Soil:** Very easy to grow with relatively low maintenance. Plant in full sun, partial sun, or full shade; heat tolerant. Keep soil moist watering under leaves and flowers for best results, but don't leave them in soggy areas or too much water.
- **Growth:** Height can reach 6-18" tall while the spread is 18-30".
- **Hardiness:** Zone 9-11 Annual; Houseplant Heat tolerant.
- **Foliage:** Evergreen when taken indoors in winter. Dark green leaves accented with a bright white edge
- **Flower:** Neither the flowers nor the fruit are ornamentally significant.
