

# Nanouk Wandering Jew Basket

**SUPER EASY TO GROW!  
EXCELLENT PLANT FOR  
BEGINNERS.**

**The is a beautiful plant with  
white, pink, and green  
foliage!**

## ***Tradescantia 'Nanouk'***

- **Use:** A new foliage plant introduction that can be used as a houseplant or a combination plant in mixed containers outdoors. What makes this plant unique is the pink, white, and green variegation. The plant is fast growing and sure to be a winner for anyone who is looking for a new houseplant or outdoor plant. The unique variegated foliage will look great in your home or by adding versatility to any outdoor mixed container in shade in warmer months.
- **Exposure/Soil:** Prefers shade outdoors (in summer months), and shelter from hot afternoon sun. Indoors they require bright indirect light, and if it doesn't get enough, the colors will fade to green. Requires moderate water. Make sure to water from the bottom to avoid rotting the stems.
- **Growth:** Grows rapidly if given enough water and fertilizer.
- **Hardiness:** Zones 9-10 Annual; Houseplant.
- **Foliage:** Deciduous. It is a vigorous grower with glowing purple, pink, white and green tones.
- **Flower:** Small purple-white flowers in the summer, but not as showy as the leaves of this plant.
