

Sassy Summer Taffy Yarrow

Yarrow is one of the easiest perennials to grow and is a good choice for beginners. All it needs is full sun and well-drained soil. These plants are an excellent balance of finely textured foliage and bright flower colors. The wide, flat flower clusters are popular landing pads with pollinators.

Achillea 'Sassy Summer Taffy'

- **Use:** You'll love this collection of Yarrow due to each member's taller, more substantial presence than other Achillea on the market. Although they have a taller height, all members have sturdy flower stems that will look great throughout the season of its bloom. With a range of beautiful colors, such as yellow, red, pink, and orange, you'll definitely find something that fits your needs.
- **Exposure/Soil:** Full/part sun; Water occasionally, until established. Doesn't like much fertilizer.. Once established needs only occasional water.
- **Growth:** Grows 26-32" tall and 22-26" wide.
- **Hardiness:** Zone 3-8; Perennial
- **Foliage:** Deciduous, fern-like leaves
- **Flowers:** Dark salmon pink flowers are produced on a dense, upright habit. As the flowers age, the color lightens to peachy pink. Great for cut flowers and blooms spring to fall, trim faded flowers for the fastest reblooming.
