

# Desert Eve Red Yarrow

## *Achillea millefolium* 'Desert Eve Red'

- **Use:** A carefree, compact, early-flowering variety with vibrant blooms and ferny foliage. Big, flat clusters of small, deep brick-red flowers attract butterflies. Heat loving, water-wise, fuss-free color for sunny borders or containers. Great color and texture for cut flower arrangements, fresh or dried. Tolerant of heat and drought.
- **Exposure/Soil:** Full/part sun; Water occasionally, until established. Doesn't like much fertilizer.. Once established needs only occasional water.
- **Growth:** Moderate growing; reaches 16 to 20 in. tall, 18 to 24 in. wide.
- **Hardiness:** Zone 4-9; Perennial
- **Foliage:** Deciduous, fern-like leaves
- **Flowers:** Deep red flowers from late spring until fall. Great as a cutflower

**Deer and rabbit resistant but hummingbirds and butterflies LOVE it.**
