

Variegated Sweetflag

Very easy to grow and an excellent accent for designer planters!

Acorus gramineus 'Oborozuki'

- **Use:** The bright golden foliage is accented nicely with green stripes and makes a compact glowing mound. An excellent water or bog plant, but also grows well in nearly any soil condition. Fragrant golden foliage emits a pleasant scent when crushed or bruised. Deer resistant.
- **Exposure/Soil:** Prefers Part Sun to Light Shade. Prefers moist soils. Divide only in spring.
- **Growth:** Grows to 6-12" in. high and space 12" apart.
- **Hardiness:** Zone 5-9; Perennial.
- **Foliage:** Evergreen. Striking upright, yellow-striped foliage provides wonderful color.
- **Flower:** Not known for flowers.
