

'Burgundy Glow' Ajuga / Bugleweed

A great groundcover for shady areas.

Ajuga reptans 'Burgundy Glow'

- **Use:** Attractive ground cover with colorful foliage and spikes of blue flowers in spring. Groundcover for shade with cream and gold variegation. Spikes of small blue flowers in late spring. Bugleweeds are a knock out in patio pots, combos, and as a striking accent with white, gold or light-colored plants.
- **Exposure/Soil:** Will do best in a shaded area but will adapt to morning sun. (The foliage colors will be more vivid with morning sun.) It prefers moist soil with a good drainage but will tolerate moderately dry areas. Do avoid soggy conditions.
- **Growth:** Fast growing to 4" tall, and keeps spreading.
- **Hardiness:** 4-9 perennial. Very easy to grow!
- **Foliage:** This Ajuga is one of the most popular, forming striking mounds of leaves dappled in green, pink and cream. During the wintertime, Ajuga 'Burgundy Glow' develops rich bronze and burgundy tones.
- **Flower:** Small blue spikes in late spring.
