

# Whirlwind Anemone

## *Anemone x 'Whirlwind'*

- **Use:** Whirlwind is one of the most stunning plants in the fall garden. It lives up to its name with petals that look as if they have been tasseled by the breeze. Attractive in fall containers and as showy garden border plants.
- **Exposure/Soil:** Prefers part shade, but will tolerate full sun with supplemental watering. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers for best results.
- **Growth:** Grows 36" tall, and 24" wide.
- **Hardiness:** Zone 5-9 perennial. Very easy to grow!
- **Foliage:** Deciduous; Deep green foliage forms low mounds and stays attractive all season.
- **Flower:** Elegant, ruffled semi-double, white petals surround frilly yellow centers. 2" flowers adorn tall stems above an attractive mound of rich dark green leaves.

Gorgeous flowers for  
the fall garden.  
Excellent cut flower.
