

Silver Bullet Wormwood

Artemisia stelleriana 'Silver Bullet'

- **Use:** SILVER BULLET® adds a silvery white splash of color to baskets and garden plantings. Planted in full sun to part shade locations, Dusty Miller is a heat and drought tolerant annual. Easy to grow and deer and rabbit resistant. Plant in mass, as a border or ground cover. Add a touch of SUPERTUNIAS® for a beautiful combination.
- **Exposure/Soil:** Full sun to part shade. Likes sandy soil but needs a well-drained area and should be planted in full sun with a small amount of afternoon shade.
- **Growth:** Height of 6-10" and 24" wide.
- **Hardiness:** Zone 5-10 Perennial.
- **Foliage:** Evergreen. Gorgeous, silvery-green foliage and for their aromatic, culinary, and medicinal properties. These plants are a good choice for rock gardens and other sunny, dry spots in the landscape. The silver foliage is an excellent companion plant to bright colors, pastels, and darker foliage choices.
- **Flower:** Produces yellow flowers in early summer, (not being showy).

Plant as an accent/texture in combinations
in all container types and landscapes
