

Shogun Astilbe

Astilbe lend a refined grace to perennial borders and are considered essential to the shade garden. Perennial Spirea produce stunning plume-like flowers that move with the slightest breeze. Plants display lush deeply-cut green to bronze foliage that remains attractive for the entire growing season. Deer resistant.

Astilbe 'Shogun'

- **Use:** Something new! This adaptable species is more sun and drought tolerant than typical Astilbe. Handsome, glossy chocolate-bronze foliage is a pleasing backdrop to the pink-blushed flower panicles in early summer. Please note: Yes, it can tolerate more sun; but it still requires adequate moisture. An easy way to add long lasting color to any part-shade to full-shade garden, Great for use in planters and in the garden! Deer resistant and nice for cutflowers.
- **Exposure/Soil:** **Prefers part sun!** Use slow release or water soluble fertilizer. Prefers to be kept moist and likes rich soil. Keep soil moist watering under leaves and flowers for best results. Drought tolerant once established
- **Growth:** Grows 20-24" tall and 18-24" wide comes back every
- year.
- **Hardiness:** **Zone 4-8;** Perennial. Mulch around plant in the winter. Make sure they have well drained soil in the winter.
- **Foliage:** Deciduous. Deer resistant! Dark brown serrated foliage.
- **Flower:** Pale pinkish white flowers in spring– summer.
