

Fairytale Romance Begonia/ Pigsqueak

An excellent, deer resistant woodland plant for shaded areas. Kids love to rub the leaves together and make a squeaking sound like a pig.

Bergenia 'Fairytale Romance'

- **Use:** Bergenia can be used in a variety of ways in the landscape. It is most impressive when used as a durable, evergreen ground-cover, but it can also be used in containers and rock gardens. It is quite effective at softening the hard edges of pavement and also works well as an edging or filler plant in flower borders.
- **Exposure/Soil:** Plants are happy in any shady area that stays relatively moist, but well-drained. Use a slow release fertilizer.
- **Growth:** Grows 12-18" tall and wide.
- **Hardiness:** Zone 3-8; Perennial;
- **Foliage:** Deciduous. Glossy green leaves squeak when rubbed together.
- **Flower:** This charmed perennial will be among the first perennials to bloom in spring. Clusters of apple blossom pink flowers emerge with glossy evergreen foliage for a shining display. The floral display is exceptionally showy with large 1" wide flowers are held on similarly large 6" panicles.
