Coreopsis 'Curry Up'

- **Use:** Coreopsis Curry Up from the Sizzle & Spice™ Series, features bright colors that capture your attention even from a distance. The dainty, finely-cut foliage of Thread-Leaf Tickseed adds texture and an interesting contrast to surrounding perennials. Coreopsis spread slowly but surely and can be used in a naturalized planting on a sunny bank or in the traditional border. Lovely paired with Echinacea or Campanula. Road salt tolerant.
- **Exposure/Soil:** Prefers full-part sun It's fairly drought tolerant and needs little water. Looks lovely outside on the patio in planter. . Prefers well drained sites where it spreads by rhizome and self seeding.
- **Growth:** Height of 15" and a spread of 26" wide. It should be cut backing early and late summer to extend the bloom period. The rounded, compact habit has excellent flower coverage, looking like a blanket of flowers.
- **Hardiness: Zone** 5-9; Perennial. Very heat and drought tolerant!
- **Foliage:** Deciduous. The dark green thread-like foliage makes a great contrast with the flowers.
- **Flower:** 1½" wide, golden yellow flowers with clear, dark red eyes have wider petals.
