Dianthus 'Odessa Bling Bling Series'

- **Use:** The Odessa® series of hardy carnations are somewhat taller than some other pot types flowering from spring until late autumn and are completely hardy. They feature masses of layered, ruffled carnation-like flowers held above attractive grey-green foliage. Fragrant. Excellent for cutting
- **Exposure/Soil:** Needs a sunny site with well-drained soil, but will tolerate some shade in the afternoon along with humidity. Regular watering during prolonged dry spells will be necessary. However, they are tolerant of short periods of dryness. Little water needed once established.
- **Growth:** The habit is compact and mounding to a height of about 10-12" tall and 10-12" wide.
- **Hardiness:** Zone 4-9, Perennial
- **Foliage:** The evergreen, glaucous grey-green foliage provides a stark contrast for these shockingly showy flowers.
- **Flower:** Bearing fully double flowers on short stems. Good cut flower, border, rock garden, edging, pot, hanging basket & window box plant. Has large (2"), strong clove scented blossoms. Free blooming spring-fall.
