

Double Coded Raspberry Beret Coneflower

Echinacea 'Double Coded Raspberry Beret'

- **Use:** A complementing series of fully double Coneflowers to the single flowered COLOR CODED® collection. Varieties in this series have prolific floral production seated atop dense rosettes of foliage. Broad, horizontal ray petals maximize flower size. Plants are low, wide, and well-branched allowing for use along the front of the border. Enjoy as these perennials burst into life under the heat of midsummer.
- **Exposure/Soil:** Full sun-part sun(6+hr).. Moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Moderate-growing to 18-20" tall " in. tall and 22-24" wide.
- **Hardiness:** Zone 4-9; Perennial
- **Foliage:** Deciduous. Long oval leaves.
- **Flower:** Fully double intense raspberry pink flowers, 4" wide, with ray petals to match. Prolific floral production seated atop dense rosettes of foliage. Broad, horizontal ray petals maximize flower size.

PROVEN
WINNERS®
The #1 Plant Brand®

Praised for their cheerful brightly colored flowers, coneflowers are a mainstay in today's garden. Be sure to leave some spent blooms on the plants in the fall because their seeds provide winter food for finches and other birds. The dried seed heads also provide architectural interest in the winter.
