

# Fragrant Sunstrong™ Series Wallflower

SUNSTRONG™ Violet

Sunstrong™ Orange Imp.

SUNSTRONG™ Yellow

**High heat tolerance and will flower during summer season.**

## *Erysimum linifolium* 'Sunstrong Series'

- **Use:** Bright flower clusters grace this easy care perennial from early spring through summer, right up to frost. Robust, heat-tolerant, and compact - perfect for containers, borders, and cottage gardens.
- **Exposure/Soil:** Sun-part shade. Moist, well-drained soil, but not soggy.
- **Growth:** Fast growing; reaches 18 to 24 in. tall, 15 to 18 in. wide.
- **Hardiness:** Zone 6-10; Perennial
- **Foliage:** Evergreen. Small long green leaves.
- **Flower:** Rounded clusters of bright, delicately scented, 4-petaled flowers bloom early and over a long season, tolerating summer heat. Available in violet, orange, and yellow.
