Bowles Mauve Wallflower

Loves the cool weather months and comes back every year!

Erysimum x linifolium 'Bowles Mauve'

- ***Use****:* Covered in vibrant blooms in shades of lilac over lush foliage. Compact, bushy plants may flower through the winter in mild climates. The blooms are sweetly scented and ideal in the garden or containers or baskets.
- ***Exposure/Soil:*** Sun-part shade. Moist, well-drained soil, but not soggy. Love sandy, gritty soil and good drainage is a must.
- ***Growth:*** Grows 2' tall and wide. Plants develop a woody base and should be sheared back to 6 inches in midsummer to promote fall flowering and maintain a compact habit.
- ***Hardiness:*** Zone 6-8; Perennial
- ***Foliage:*** Evergreen. Handsome gray-green leaves.
- ***Flower:*** Large, **FRAGRANT** flower heads have bright lavender blooms that are especially brilliant in spring and fall. Pinch off the dead flowers to promote the best blooms.
