

Variegated Japanese Sedge

There is not a single season in which this grass does not look garden worthy.

Carex oshimensis EverColor® 'Eversheen'

- **Use:** A wonderful little selection with a fresh appearance. It is easy to grow, low maintenance and forms a neat, easily controlled mound. 'Eversheen' is a great cold hardy accent plant for all year round arrangements." Excellent and subtle variegation. Hardy accent plant for year-round beauty.
- **Exposure/Soil:** A morning sun location helps hold the brightest color, which fades to chartreuse in more shade. Prefers moist, shady location. Needs ample water in hot dry locations.
- **Growth:** Grows to 12-18" tall and 12-18" wide.
- **Hardiness:** Zone 6-9; Perennial.
- **Foliage:** Evergreen. Distinctive lime yellow striped foliage.
- **Flower:** Not known for flowers.
