

Prince Ornamental Napier Grass

Stunning annual fountain grass from Athens Select. Deep-purple foliage color intensifies with summer. The wide blades and upright habit make this an outstanding selection for containers and landscapes. Similar to Pennisetum 'Princess,' but 'Prince' has a larger form.

Pennisetum purpureum 'Prince'

- **Use:** Can be useful in the landscape along woodland borders, in mass plantings, in foundation plantings, in containers or planters, as a background, in shrub borders, around decks, swimming pools, and other outdoor living areas, as an accent, as a focal point or in landscape beds or islands and also in rock or xeriscape gardens, theme gardens, cottage gardens or perennial gardens.
- **Exposure/Soil:** Loves full sun or at least 4-5 hours of afternoon sun. They love the heat! . Requires well-draining soil and appreciates slow release fertilizer.
- **Growth:** Moderate grower 5-6' tall and 4' wide.
- **Hardiness:** Zone 8-10; Tender Perennial; Be sure they have good drainage and don't cut back in the winter until following February.
- **Foliage:** Deciduous; Features handsome purple foliage that intensifies instead of fading in summer heat. Broader blades than regular purple fountain grass.
- **Flowers:** Not known for flowers.
