

Ice N Roses Bennota Lenten Rose

A must have for every shade gardener!

These gorgeous Snow Roses should not be missing in any garden!

Helleborus x 'Ice n Roses Bennota'

- **Use:** Its striking raspberry-colored blooms are an eye-catcher and will add color to the hibernating garden from late December through late spring. This evergreen and hardy snow rose is suitable for any location in the garden and also thrives very well over many years in large containers on balconies and terraces.
- **Exposure/Soil:** Part sun-shade. Prefers acidic, (most of our GA soils are acidic) moist, well-drained soil, but not soggy. Drought tolerant once established water only in the driest times. Always better to underwater rather than over water Lenten roses.
- **Growth:** Grows 13-24" tall and 24" wide; multiplies well.
- **Hardiness:** Zone 5-9; perennial
- **Foliage:** Evergreen, virtually problem free. Foliage is a handsome silvery-green.
- **Flower:** Sporting bright ruby red, outward-facing flowers with frilly yellow centers in early spring.
