

Daylily 'Wine Delight'

This award-winning repeat blooming day-lily is a real beauty!!!

Hemerocallis 'Wine Delight'

- **Use:** Lots of buds, tidy foliage and rich rosy red to bright wine flowers - this beauty has them all and shares generously. Tremendously vigorous. Heat and drought tolerant. Very adaptable. Flowers stay open into the evening and then a fresh batch appears with the dawn. Truly delightful.
- **Exposure/Soil:** Full– part sun (but must be 5-6 hours of afternoon sun) . Moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year. Once established needs only occasional water.
- **Growth:** Fast-growing to 18-20" tall, flower stalks taller.
- **Hardiness:** Perennial
- **Foliage:** A semi evergreen variety that forms a nice full clump and stays green all year in warm zones.
- **Flower:** Bright wine red with bluish halo 3 ½ - 4" blooms. Large, extra-robust tetraploid flowers bloom almost continuously from late spring to late summer.
