

Head Over Heels Hardy Hibiscus

Blush-Graceful, blush pink blooms are plentiful on this beautiful hibiscus. The contrast between the bright flowers and dark burgundy foliage creates an eye-catching experience.

Passion- Exquisite, bright pink blooms set this beautiful hibiscus afire. The contrast between the bright flowers and dark burgundy foliage creates an eye-catching experience. This series makes an excellent display in the garden, as well as in containers.

This compact Hibiscus is a dream! Large, white flowers with red centers make for a stunning display that contrasts nicely against burgundy foliage. Works great in containers or in the garden.

Adore- This addition to the series offers the brightest burst of color on a petite plant. The large, pink flowers open slightly later than the other varieties in the series, extending the color into the fall season.

Hibiscus x moscheutos 'Head Over Heels Series'

- **Use:** This series displays exceptionally large flowers in a range of vivid colors.
- **Exposure/Soil:** Needs rich soils, consistent moisture and full sun. Also does well in clay soils. Good air circulation may help to prevent disease. Cut back stems to about 3-4" in Autumn.
- **Growth:** It has a plant height of 3-4' and a spread of 3-4'. Old stems should be pruned to the ground in spring.
- **Hardiness:** Zone 4/5-9 Perennial. Mulch during winter to protect roots from frost and prune in early spring for bushier growth.
- **Foliage:** Deciduous. Large, lush foliage.
- **Flower:** The beautiful 6-8" begin to appear in late spring or early summer and continue into fall to provide a bounty of color and a taste of the tropics.
