

# Mighty Mouse Hosta

**So cute,  
shade  
loving,  
slug re-  
sistant,  
and  
very  
easy to  
grow!**

## ***Hosta 'Mighty Mouse Hosta'***

- **Use:** This small but mighty Hosta is a variegated sport of the award winning Hosta 'Blue Mouse Ears'. This small Hosta makes a perfect addition to troughs or other patio containers with good winter drainage. Hostas are exceedingly popular perennials in today's gardens due to their versatility in the landscape. Their subtle colors, tall flower scapes, and broad, coarse leaves fill a niche in garden designs that few other plants can achieve. Their large leaves provide excellent coverage for dying bulb foliage. Hostas also grow well in city environments where the air may be polluted by car exhaust, etc.
- **Exposure/Soil:** Part sun (best)—shade. Acid, moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year.
- **Growth:** Mature height of 12" tall and 12" wide.
- **Hardiness:** Zone 3-9; Perennial
- **Foliage:** Deciduous. In spring, the rounded leaves of heavy substance are blue-green with a bright creamy yellow margin. By summer, the leaves transition to grey-green with a creamy white margin. Incredible substance.
- **Flower:** Lavender flowers on perfectly proportioned scapes appear in early summer.
