

# Hosta 'Paul's Glory'

**Shade loving and  
very easy to grow!  
Hosta of the year 1999**

## ***Hosta 'Paul's Glory'***

- **Use:** As far as variegation goes, it is one of the kings! I feel that this is one of the top 10 Hostas! Make room for this one and put it in the center of your garden. Needs at least 3 hours of sun to bring out the fabulous gold center! Also excellent in containers.
- **Exposure/Soil:** Part sun–shade. Acid, moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year.
- **Growth:** Will grow 15" to tall and spreads up to 36" wide.
- **Hardiness:** Zone 5-8 Perennial
- **Foliage:** Deciduous. Plant has blue-green margined leaves with center yellow, turning whitish. Mature leaves have a seersucker effect.
- **Flower:** Medium, bell-shaped, pale lavender blossoms in mid summer.
