

City Lights Iris

Iris 'City Lights'

- **Use:** A trustworthy rebloomer, City Lights boasts large, 5" flowers with deep violet-blue standards and falls accented by glowing white centres. These colour-contrasting flowers are also fetchingly fragrant. Because this multiple-award-winning iris perennializes well, it will be a star performer in your garden for years to come. Remember to clip some blooms to use in your floral arrangements. Midseason flowering. Reblooms late summer to early fall.
- **Exposure/Soil:** Plant in full sun to partial shade, in fertile well drained soil. Use slow release fertilizer two times a year.
- **Growth:** Grows 37" tall. Divide every 3-4 years. Space new container grown plants 18" - 36" apart.
- **Hardiness:** Zone 4-9; Perennial
- **Foliage:** Deciduous. Graceful, thick, long blades.
- **Flower:** A re-blooming Iris with deeply colored violet blue standards and falls with a glowing white center to all the petals. (Mid spring to early summer, reblooms late summer to early fall)
