

Red Roulette Hot Poker

Bring unique drama to your landscape with the spiky flowers and upright habit of this perennial. An excellent perennial for the middle of the border.

Kniphofia uvaria 'Red Roulette'

- **Use:** Also commonly called Torch Lily for their tall flower spikes. These South Africa natives offer tremendous garden value by combining grass-like foliage with tall flower scapes. An excellent perennial for the middle of the border. The spiky flowers and upright habit gives a very unique drama to your landscape, with rebloom extending the color late into the season. This one is especially attractive to hummingbirds and doesn't appeal to deer. Makes a great cut flower, patio container or landscape plant. Long tap root gives good drought tolerance.
- **Exposure/Soil:** Plant in full sun to partial sun(6+hours of afternoon sun). Use slow release or water soluble fertilizer. Allow soil to dry slightly between waterings. Drought tolerant once established
- **Growth:** Fast growing evergreen foliage 40-42in. high, 28-32" wide.
- **Hardiness:** Zone 6-9; Perennial. Very heat and drought tolerant!
- **Foliage:** Semi-evergreen. Grass-like foliage provides textural contrast to bold-leaved perennials. Thin grass-like foliage is exceptionally narrow for Kniphofia and will add fine texture to almost any landscape.
- **Flower:** Deep red-orange buds open to creamy yellow flowers.
