

Aromatico™ Blue Lavender

Lavandula angustifolia 'Aromatica Blue'

- **Use:** With outstanding flower numbers and size - Lavandula has truly evolved! Early and free flowering with unsurpassed fragrance. Good vigor and excellent branching. A versatile, undemanding little evergreen shrub that thrives in warm, sunny spots. Ideal for containers, low borders, and rock gardens. A must-have for Mediterranean or cottage gardens.
- **Exposure/Soil:** Full sun– part sun. Drought tolerant once established. Needs at least 6 hours afternoon sun. **Soil must be sandy and have a pH of 7, so add lime. NO RED CLAY!** Keep water off the leaves, water under foliage. Good drainage, higher pH, and air circulation are key to success.
- **Growth:** Moderate growing; reaches 14 to 20 in. tall, 10 to 12 in. wide.
- **Hardiness:** Zone 5-9; Perennial. Mulch heavily around the plant
- **Foliage:** Evergreen in warmer climates. Broad, gray-green-cream variegated leaves that boast a sweet fragrance
- **Flower:** Rich blue blooms on short flower spikes. Prune and hang upside down to dry if desired. Less gapping among spikes for more color impact.
