

Rainbow Mix Lewisia

Lewisia 'Rainbow Mix'

- **Use:** An enchanting perennial with dainty, daisy-like blooms held in airy clusters and succulent evergreen foliage. Requires excellent drainage and dry soil after flowering. Just the right plant tucked into rock gardens, borders or used as edging.
- **Exposure/Soil:** Tolerates full sun to part sun. Requires sharp drainage. If water is able to sit in the crown, it will cause the plant to rot. NO RED CLAY!
- **Growth:** Grows 8-10" high and 10-12" wide.
- **Hardiness:** Zone 6-8; Perennial
- **Foliage:** Deciduous; Fleshy, flat rosettes of evergreen leaves.
- **Flower:** Dazzling star-shaped blooms hover over the flat rosettes of evergreen leaves in purple, pink, yellow, orange and white. Blooming in spring, it is perfect for the front of a border or walkway.

Drought tolerant !
