

Bee You Bee Lieve Bee Balm

Monarda 'Bee You Bee Lieve'

- **Use:** Bees love them. Gardeners love them. These new bee balms are mildew free, covered in flowers, the perfect size and available in colors to bring any outdoor space to life. The Bee-You series is impressing bee balm lovers all over the globe. Bees, butterflies and hummingbirds can't resist their sweet nectar and fragrance. Attract much needed pollinators and feed your soul with these beautiful, contained, carefree bee balms.
- **Exposure/Soil:** They prefer warm sun or part shade if warm spot in the garden. When they are growing, they do not like to dry out. When they are dormant, they like to be dry. They can be grown great in containers as well. Containers should be left dry in the garage or under an eave for the winter. They can handle cold temperatures if they are dry.
- **Growth:** Moderate grower to 10-12" tall by 10-12" wide
- **Hardiness:** Zone 5-9; Perennial Mulch around plant in the winter.
- **Foliage:** Deciduous. Mildew resistant foliage.
- **Flower:** Pale pink flowers develop from deep maroon buds to give a soothing effect in the summer garden from late spring to fall. It's the perfect size and the perfect plant for summer borders.

We love to use them as cut flowers!
