

Peony Festiva Maxima

Huge fragrant blooms great for cutting!

Paeonia 'Festiva Maxima'

- **Use:** Carefree, long-lived plant rarely requires division. Elegant, pink flowers are gorgeous in bouquets.
- **Exposure/Soil:** Full sun–light shade shade (not deep shade); Water regularly, when top 3” of soil is dry. Use slow release fertilizer twice a year. Once established needs only occasional water.
- **Growth:** Grows 24 to 30 inches tall.
- **Hardiness:** 3-8; Perennial
- **Foliage:** Deciduous.
- **Flowers:** Blooms up to 8” across! Glistening white fully double blooms in May through June.
- **Tips:** Plant them shallow, mulch in the summer, take off the mulch in the winter, and they prefer a little afternoon shade. Cold winters will ensure lots of blossoms so plant them where they will get cold in the winter.
