

Purple Flame Dwarf Garden Phlox

Phlox paniculata 'Purple Flame'

- **Use:** This series was bred for garden and pot performance. The plant's foliage has excellent mildew resistance making it a wonderful, low maintenance garden phlox. The flowers attract butterflies/hummingbirds and are deer resistant. Nice as a cut flower.
- **Exposure/Soil:** Prefers full sun to part sun. Water when top 3" of soil is dry. Does not like sprinklers, water soil not leaves.
- **Growth:** Fast growth of 15-18" tall x 15-18" wide
- **Hardiness:** Zone 4-9; Perennial
- **Foliage:** Deciduous; The foliage is dense and compact with deep green, lance-shaped leaves with prominent veins.
- **Flower:** Magenta-purple to rose petals heads are large and fragrant and are held on strong stems, providing amazing color in mid-summer. Provides unsurpassed flowering in summer, clear crisp colors and flowers in profusion. It will bloom naturally as days lengthen and temperatures begin to rise in late spring.

Easy to grow and look spectacular in borders or mass plantings.
