

Pop Star™ Series Balloon Flower

Gorgeous balloon flowers are long-lasting and deer resistant!

***Platycodon grandiflorus* 'Pop Star™ Series'**

- **Use:** A new Pop Star™ is born with this exciting series. Loads of flowers on compact plants are great for indoors as a houseplant or outdoors as long lasting perennial. This forms an upright mound of green foliage, bearing inflated buds that pop open into star-shaped blossoms. Nice addition to the border, or in mixed containers.
- **Exposure/Soil:** Full– part sun (but must be 5-6 hours of afternoon sun) . Moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Grows 8-10” tall and wide.
- **Hardiness:** Zone 3-9;Perennial
- **Foliage:** Semi-evergreen; Green foliage is a great backdrop to flowers.
- **Flower:** This heavy bloomer has very large flowers (in pink, blue, or white) that begin in the shape of a balloon before opening, hence it's name.
