

Giggling Smileyz Brown Eyed Susan

Rudbeckia 'Giggling Smileyz'

- **Use:** Blooms continuously throughout the warm season. The dense, multi-branched plant with lush green foliage and a profusion of charming, colorful blooms is just what is needed to brighten a border, bed, or container.
- **Exposure/Soil:** Prefers full-part sun It's fairly drought tolerant and needs little water once established. Good drainage is a must for it to survive through our wet, southern winters
- **Growth:** Grows 12-15" tall by 12-15" wide
- **Hardiness:** Zone 7-9 Perennial/ Reseeds. Very heat and drought tolerant!
- **Foliage:** Deciduous. Slightly fuzzy leaves are more mildew resistant than other Rudbeckias.
- **Flower:** Large flowers have a double row of golden orange petals with dark brown blotches around a dark cone flowering summer until fall frost. Prune old flowers for the most flowers.

A fine
display on substantial
plants.
Attracts butterflies!
Deer resistant.
