

# Vivid Violet Pincushion Flower

## *Scabiosa columbaria* 'Flutter Deep Blue'

- **Use:** Large vivid-violet flowers are ever present atop wiry stems. Low, mounding, mildew-resistant foliage and bright flowers are valued for mass bedding effects or mixed perennial borders. A fine cut flower and perfect for container gardens. They attract butterflies and are superb for cutting. Attracts butterflies!
- **Exposure/Soil:** Prefers morning sun 6+ hours and afternoon shade in our area zone 8. Water regularly, when top 3 in. of soil is dry. Appreciates slow release fertilizer twice a year. Once established needs only occasional water.
- **Growth:** Foliage 11 in. tall, 18 in. wide; to 15 in. tall in bloom.
- **Hardiness:** **Zone** 3-8; perennial
- **Foliage:** Deciduous; Mounds of mildew-resistant, frilly foliage.
- **Flowers:** Large, vivid-violet pincushion flowers. Very heavy flowering and will bloom continuously from late spring to frost.

**Fluffy blooms are the perfect touch to both containers and the landscape and will make your garden enviable! It is sure to attract compliments and attention for seasons to come!**
