

Blue Pearl Sunsparkler Stonecrop

**Drought tolerant
and so easy to grow!
Very good at con-
trolling weeds also.**

Sedum 'Sunsparkler Blue Pearl'

- **Use:** Intense blue foliage make this unique new selection a great choice for landscape or patio. Remains colorful all summer long, unlike other varieties. Large, contrasting hot pink flowers clusters dance above the foliage in late summer. Useful as colorful ground cover or feature in rock garden or container.
- **Exposure/Soil:** Plant in full sun, but will tolerate some shade. Prefers well-drained soil, but It will tolerate most soil types and is drought resistant.
- **Growth:** Moderate grower to 6 in. tall, 18 to 20 in. wide.
- **Hardiness:** Zone 4-8; Perennial
- **Foliage:** Deciduous. The plum foliage with smoky blue overtones is irresistible
- **Flower:** Clusters of bright pink flowers in late summer through fall.
