Verbascum 'Plum Smokey' PP16156

- **Use:** We are firm believers in Verbasiums for every garden, and love them not only for its mix of sophisticated colors, but because it's super simple to grow & almost everblooming. One of those wonderful plants that makes you feel very successful even though you've done absolutely nothing! It's perennial too! Drought tolerant, deer AND snail resistant – you just can't go wrong!
- **Exposure/Soil:** Plant in full sun to partial shade. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers. Good drainage is key with Verbascum.
- **Growth:** Full, well branched plants grow 8-10" tall and 12" wide.
- **Hardiness:** Zone 5-8 Perennial. Very heat tolerant! Mulch around plant in the winter.
- **Foliage:** Deciduous. Felted gray leaves in a rosette.
- **Flower:** Creates a living bouquet of soft pink flowers that bloom for months from spring through summer. Trim occasionally for a tidy plant. The romantic flower spikes are ideal for cottage style gardens and cut flower arrangements
