

Vanity Verbena

Verbena bonariensis 'Vanity'

- **Use:** Always thought *Verbena bonariensis* was too tall for your garden? Not anymore! This compact, sturdy variety creates a pollinator paradise, producing rich blue-purple blooms 1-1.5" across that draw butterflies nonstop. 2022 All-America Selections Ornamental Winner
- **Exposure/Soil:** Sun-part sun. Moist, well-drained soil, but not soggy. Water when top 3" of soil is dry. Do not water center of the plant, try to water under the leaves. Drought tolerant once established.
- **Growth:** Grows 40-50" tall and 12-16" wide.
- **Hardiness:** Zone 7-11, Perennial; While it is generally less unruly than the lanky species form, it can still pop up where you didn't plant it depending on your local moisture and climate.
- **Foliage:** Deciduous, thin serrated foliage.
- **Flower:** Stems bearing clusters (to 1.5" across) of tiny rich purple flowers. The flowers are attractive to hummingbirds, butterflies, and other pollinators. Blooms spring to fall. Harvest sprays when clusters show good color for long-lasting cuts

Blooms for 5 months and comes back every year! Vanity, a purple breeze for smaller green spaces. Attracts butterflies.
