

# Royal Rembrandt Speedwell

**This perennial is valued for its easy of growth and long bloom time. It can tolerate both full sun and partial shade. It will stand tall and be a focal point among your other plants.**

## ***Veronica 'Royal Rembrandt'***

- **Use:** Much like the classically beautiful works by the famous artist, Veronica 'Royal Rembrandt' is a envied piece to the collection! These beautiful blooms sit atop lush dark-green foliage that attracts pollinators and repels deer.
- **Exposure/Soil:** Full sun to very light shade. Well-drained soil is key to successful culture.
- **Growth:** Grows 18-20" H x 18-20" W
- **Hardiness:** Zone 4-9; Perennial, Must be mulched in the winter.
- **Foliage:** Deciduous. Long, dark green glossy foliage.
- **Flower:** The gorgeous violet-purple flowers shoot upwards to the sky like paintbrushes ready to begin the next masterpiece. The blooms will last all season long and pair perfectly with almost anything in the garden.
