

Sweet Emotion Blaze® Abelia

Top three reasons to grow Sweet Emotion Blaze® Abelia:

- Bright fall color
- Fragrant flowers
- Useful habit

Abelia mosanensis 'SMNAMW' PP36844

- **Use:** A spring flowering shrub that's as fabulous at the end of the season as it is at the beginning! Sweet Emotion Blaze® Abelia has great cold hardiness, but what really sets it apart is the stunning fall foliage. In spring, it is covered in an abundance of pink flowers that smell great and attract pollinators. In autumn, the fresh green foliage transitions to a vibrant blend of yellow, orange, and red, lighting up the garden or landscape. That's not all; this Abelia has superior branching and an improved habit for an excellent container presentation.
- **Exposure/Soil:** Full sun to part sun; moist, well drained soil; dislikes wet sites. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Grows 5-6' tall and 4-5' wide.
- **Hardiness:** Zone 4-8; Shrub
- **Foliage:** Semi-evergreen. In autumn, the fresh green foliage transitions to a vibrant blend of yellow, orange, and red, lighting up the garden or landscape.
- **Flower:** As its name suggests it will perfume your early spring garden with a lovely jasmine fragrance. The abundant pink flowers are a favorite for pollinators.
