

Amagasa Bloom n' Again Azalea

Easy to grow repeat
blooming Azalea!
Beautiful, mounding shrub helps
extend flowering season!

Azalea 'Amagasa' (Satsuki hybrid)

- **Use:** The Bloom 'N Again® Azaleas have been carefully selected for their repeat blooming habit and cold hardiness. All the Bloom 'N Again® Azaleas are evergreen shrubs good for planting in mass or integrated into a hedge or shrub border or in containers. With little need to prune, they are perfect for a naturalized area such as a shade or woodland garden.
- **Exposure/Soil:** Prefer part shade and are generally cold hardy from -10° to 0° F. We don't recommend full sun unless you have fantastic soil and irrigation. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Moderate grower to 2-4' tall, 3 to 4 ft. wide.
- **Hardiness:** 6 -9 Shrub
- **Foliage:** Evergreen
- **Flower:** Very rich deep pinkish orange 3 inch flower with darker red spots. Bloom 'N Again® Azaleas start their fall blooming season in late September.
