

Even song Azalea

Bubblegum pink flowers are real show-stoppers!

Rhododendron 'Even song' (Glenn Dale type)

- **Use:** Beautiful evergreen, premier shrub for use for shady areas in the garden to create a natural setting. Works very well beneath tree groves in a naturalistic woodland setting. Problem solver for homes influenced by large old shade or street trees because azaleas thrive in the half shade and acidic soils they create.
- **Exposure/Soil:** Part shade (morning sun and afternoon shade preferred). Acid, moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year.
- **Growth:** Vigorous, upright grower to 3 to 5 ft. tall and wide. Makes a lovely accent, border or hedge.
- **Hardiness:** Zone 6-9; Shrub
- **Foliage:** Evergreen; Small dark green foliage.
- **Flower:** Flower funnel-shaped, 1¾" to 2¼" across, deep purplish pink, with faint purplish red blotch.
