

# Dixie Knight Supreme Camellia

Tolerates  
heat and  
humidity well!  
Deer re-  
sistant.

## ***Camellia x 'Dixie Knight Supreme'***

- **Use:** The Dixie Knight Supreme Camellia sports one of the most unique and impressive flowers of any *C. japonica* on the market today. Very large, 5 to 6 inch wide double flowers are brilliant deep red and speckled, blotched, and splashed with white variegation in random patterns on the petals. Bright yellow stamens will be noticed peeking out from the center.
- **Exposure:** Prefers sheltered site, sunny or shade, and any well drained neutral/acid soil. Extreme summer heat may cause leaf burn; needs some shade if planted near a white house due to reflection of sun.
- **Growth:** Growing to 8-10ft tall and 8-10ft wide, larger with age.
- **Hardiness:** Zone 6-9; shrub
- **Foliage:** Evergreen Glossy dark green foliage may have some yellow variegation and makes a great hedge in shade.
- **Flower:** Large blooms are a deep red heavily moired white; a variegated form of 'Dixie Knight. Blooms late fall-winter. Prune only right after blooms fade.
