

Nuccio's Gem Camellia

Camellia japonica 'Nuccio's Gem'

- **Use:** One of our favorites and sure to add an elegant formal appearance to the garden, the large and perfectly formed fully double flowers of Nuccio's Gem Camellia are packed with sparkling, pure white petals that stand out wonderfully against lustrous deep-green leaves. Add an elegant, formal appearance to your garden! A must have for every Southern garden to add winter interest.
- **Exposure:** Prefers sheltered site, sunny or shade, and any well drained neutral/acid soil. Extreme summer heat may cause leaf burn; needs some shade if planted near a white house due to reflection of sun.
- **Growth:** Low growing to 6-10 ft tall and 5-6 ft wide, larger with age.
- **Hardiness:** Zone 7a-9; shrub
- **Foliage:** Evergreen, Glossy green foliage looks good year round.
- **Flower:** Sparkling white, formal, double blooms contrast well with the glossy, dark green foliage. Blooms December to March. Prune only right after blooms fade.

Tolerates
heat and
humidity
well!
Deer
resistant.
