Camellia sasanqua 'Apple Blossom'

- **Use:** One of our favorites and sure to add an elegant formal appearance to the garden, the large and perfectly formed fully double flowers of Nuccio's Gem Camellia are packed with sparkling, pure white petals that stand out wonderfully against lustrous deep-green leaves. Add an elegant, formal appearance to your garden! A must have for every Southern garden to add winter interest.
- **Exposure:** Prefers sheltered site, sunny or shade, and any well drained neutral/acid soil. Extreme summer heat may cause leaf burn; needs some shade if planted near a white house due to reflection of sun.
- **Growth:** Low growing to 6-10 ft tall and 8 ft wide, larger with age.
- **Hardiness:** Zone 7a-9; shrub
- **Foliage:** Evergreen, Glossy green foliage looks good year round.
- **Flower:** Displaying profuse pink-edged white blooms with yellow stamens in winter. Prune only right after blooms fade.
