

Magic Dawn Camellia

Camellia sasanqua 'Magic Dawn'

- **Use:** Camellias are used as fall-winter specimen shrubs, shrub borders and screens. The main ornamental feature is their showy flowers in colder fall-winter months when other plants are dormant.
- **Exposure:** Morning shade preferred (prevents frost damage to flowers), but tolerates sun with ample water, evenly moist, humus-rich; high in organic matter, acidic, well-drained (porous) soils, protection from cold, drying winter winds, ample moisture, mulch layer.
- **Growth:** Grows 4-6' tall or more tall x 3-4' wide. Upright and dense growth. Can easily be pruned after blooming to keep them shorter.
- **Hardiness:** Zone 7-9; shrub
- **Foliage:** Evergreen. Shiny, rich dark green leaves.
- **Flower:** Large rose-form flowers are a blend of pinks resembling *Camellia japonica* flowers. Use as a specimen or intermediate hedge.

Special Buy! Create a wall of gorgeous winter blooming flowers with this trellis camellia.
