

October Magic® Ruby™ Camellia

Like other camellias, this shrub is evergreen and will maintain a presence in your landscape all season long. Enjoy the excitement that this shrub builds up to in the fall with its brilliant flowers.

Camellia sasanqua 'Green 02-003' PP24538

- **Use:** Brilliant, Christmas red, fully double blooms decorate the deep olive green, super glossy foliage on this compact plant. Ruby has the dense semi-dwarf nature of 'ShiShi Gashira' but a softer appearance in the landscape. Blooms heavily throughout fall.
- **Exposure:** Morning shade preferred (prevents frost damage to flowers), but tolerates sun with ample water, evenly moist, humus-rich; high in organic matter, acidic, well-drained (porous) soils, protection from cold, drying winter winds, ample moisture, mulch layer.
- **Growth:** Grows 3-4' tall by 4-5' wide dense growth. Can easily be pruned after blooming to keep them shorter.
- **Hardiness:** Zone 7-9; Shrub
- **Foliage:** Evergreen. Shiny, rich dark green leaves.
- **Flower:** In the fall, this shrub blooms prolifically with spectacular red double flowers that demand to be seen.
