

# Yewtopia

**This elegant shrub is much sought after for its graceful foliage and is excellent for a hedge that requires little maintenance.**

## ***Cephalotaxus harringtonia 'Yewtopia'***

- **Use:** Yewtopia Plum Yew—the South's answer to English Yews! With a slightly upright, vase-like growth habit, this plum yew is heat tolerant, drought resistant, and shade loving. Use Yewtopia® where low growing hedges are needed. Deer resistant.
- **Exposure/Soil:** Both heat and shade tolerant, it will thrive in morning sun with afternoon shade. Follow a regular watering schedule during the first growing season to establish a deep, extensive root system. Feed with a general purpose fertilizer before new growth begins in spring. For a tidy, neat appearance, shear annually to shape. Drought tolerant once established.  
**Growth:** Grows 3 to 4' tall and wide.
- **Hardiness:** 6 -9; Shrub
- **Foliage:** Evergreen. Exceptional shiny, dark green blunted needles.
- **Flower:** Insignificant flowers.
