

Showoff Starlet Yellow Bells

An excellent specimen plant for mixed borders and foundations.

Forsythia x 'Show Off Starlet' ('Minfor6' PP#24,361)

- **Use:** Show Off Starlet forsythia is a bright ball of yellow flowers in spring! If your older forsythia takes up too much room and has a weak flower display, try this new, improved variety. It has the same fabulous flower display you get with Show Off forsythia, but in a smaller package. This new dwarf forsythia is a mass of bright yellow spring flowers from base to tip.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Moderate growing 2-3' tall and 2-3' wide.
- **Hardiness:** Zone 5a– 8a; Shrub
- **Foliage:** Deciduous. Green foliage.
- **Flower:** Spring will bring a festival of 1-1.5" bright yellow flowers along the entire length of the stem. Great as a cut flower too. Far superior show of blooms compared to old fashioned yellowbells.
